(b) Turn-key job fee @Rs. 300/- per biogas unit actually set up with two years' warrantee on turn-key basis by Corporate bodies/recognised registered societies and voluntary organisations/approved entrepreneurs etc.

(c) Promotional incentive @Rs.30/- per plant actually supervised by village functionaries/approved workers of KVIC.

(d) Staff support for headquarters and intensive districts.

(e) Service charges @2 and half of the cost of bio-gas plants in lieu of staff support in potential districts other than intensive districts.

(f) Grants-in-aid and the rates specified against each for organisation of different kinds of training courses.

Type of Course	Estimated cost per course
	Rs.
1. Construction-cum-Maintenance Training Course	18,000
2. Refresher Training Course	18,000
3. Training of Trainers Course	10,200
4. Orientation Programme	5,000
5. Users' Training Course	750
6. National Seminar	20,000

(g) Repair charges @Rs. 500/- per defunct plant not covered under warrantee period.

(h) Grant-in-aid @Rs. 1000/- per demonstration on the utility of manure produced from bio-gas plants.

II. COMMUNITY BIO-GAS PLANTS:

Capital cost—100 per cent by Government of India including cost of controlled operation upto a maximum for one year (normally for six months).

III. INSTITUTIONAL BIO-GAS PLANTS:

For Central, State or Cooperative Trust Institutions, or institutions tied to such bodies—Capital cost upto 75 per cent by Department of Non-Conventional Energy Sources and balance by recipient organisation—In the case of Charitable organisation higher contribution by Department of Non-Conventional Energy Sources could also be considered in deserving cases.

For private profit-making institutions—33-1/3 per cent by Government of India. Recurring cost in all cases by recipient institutions.

IV EFFLUENT BASED BIO-GAS PLANTS:

Incremental cost biogas system—33 per cent by Government of India.

V. SEWAGE GAS PLANTS:

Incremental capital cost of the Bio-gas Generation and Conversion (to power), distribution sub-systems for Municipalities and local bodies 50 per cent to 75 per cent by Government of India, upto a limit of Rs. 25 lakhs per plant—recurring cost to be met by the State or local Government or by Recipient body.

Raising of ecological battalions

2711. SHRI DHARAM CHANDER PRASHANT: Will the PRIME MINISTER be pleased to state:

(a) whether it is a fact that in 1983 the Minister of Environment announced that two ecological battalions of the Territorial Army would be raised one for Himachal Pradesh and the other for the Jammu and Kashmir to restore ecological balance in the Himalayas and Shivaliks;

(b) whether these two battalions have been raised; and

(c) if answer to part (a) above be in the negative by when raising of these battalions is likely to materialise?

THE MINISTER OF STATE IN THE MINISTRY OF ENVIRONMENT AND

FORESTS (SHRI VIR SEN): (a) No, Sir.

(b) and (c) Question does not arise.

Entry of multinationals in Indian T.V. manufacture field

2712. SHRIMATI RATAN KUMARI: Will the PRIME MINISTER be pleased ot state:

(a) whether the Indian TV manufacturers' association have urged Government to bar the entry of the multinationals into the field of Television manufacture and also to stop issuing more licences for the manufacture of colour T.V.;

(b) if so, what are the details thereof; and

(c) what is Government's action thereon?

THE MINISTER OF STATE IN THE MINISTRY OF SCIENCE AND TECHNOLOGY AND IN THE DEPARTMENTS OF OCEAN DEVELOPMENT, ATOMIC ENERGY, SPACE AND ELECTRONICS (SHRI SHIVRAJ PATIL): (a) Yes, Sir.

(b) Indian Television Manufacturers' Association (ITMA) have requested through their representation that:

(i) no fresh licence should be given to any body including the multinationals in view of the over capacity;

(ii) existing industry should be given fair chance to develop it further;

(iii) no foreign brand name either of colour TV or Black and White TV should be permitted at any cost; and

(iv) an enquiry be made in respect of the activities of a particular multinational company for certain activities including overcharging to consumer and products not of a very high quality etc.

The representation submitted by ITMA contains details of the various factors leading to the above suggestions. These inter-alia refer to the investments by the Indian industry, technological advancements made by them, manufacture of products of quality, employment generated, capability to meet the total anticipated demand and the large level of production already achieved.

(c) The matter is under the consideration of the Government.

Light and sound show at Sun Temple of Konark

2713. SHRI JAGADISH JANI: Will the PRIME MINISTER be pleased to state:

(a) whether the Government of Orissa have requested the Central Government to introduce light and sound show at Sun Temple Konark;

(b) whether the above proposal is under Government's consideration; and

(c) if so, by when the above proposal is likely to be approved and implemented?

THE MINISTER OF STATE IN THE MINISTRY OF TOURISM AND CIVIL AVIATION (SHRI ASHOK GEHLOT): (a) to (c) Yes, Sir. However, Archaeological Survey of India and its expert bodies, consider granting of permission for Sound and Light show in centrally protected monuments which are secular in nature. Such programmes should have thematically authentic succession of events connected with the monument. The Sun Temple at Konark is a monument of religious character and does not have succession of events that can be projected in the Sound and Light programme to justify the grant of permission. In addition, the condition of the monument is so fragile, that it needs conservation, before a proposal of Son-et-Lumiere can be considered.

अनुसूचित जातियों/अनुसूचित जनजातियों की सूची में संशोधन

2714. **श्री नत्था सिंह** : क्या गृह मंत्री यह बताने की कृपा करेंगे कि :

(क) अनुसूचित जातियों और अनुसूचित जनजातियों की सूची में अब तक शामिल किये गये संशोधनों/परिवर्तनों का
